Dear Sheila,

Thanks for your kind note of the fifth.

I take it you have not made yourself or selves copies of the Zapruder film. Whenever you do, I would like it back, please.

Maybe Herb Brubaker in new news would like a print?

While I have never known Time to complain about responsible uses, I do remind you that they regard it as their property.

You were also going to refund my expenses, I'd appreciate the check, thanks. Only 100 miles of car use, nothing else.

Your man is fair and personable, a good combination. I hope the show lasts!

Alan phoned me to do a beeper. He is doing news now for WPIX-TV.

Best regards, a good holiday and a bright year.

Sincerely,

Harold
